As the bidder for the property or representing the bidder for the property above, payment is to be made in the form of a cash, cashier's check, or money order payable to "Collector of Revenue." In addition to your bid amount, you need to **include an additional \$30.00 made payable to "Recorder of Deeds"** for recording the collector's deed. If you are the highest bidder, a collector's deed will be recorded and then issued to you as the highest bidder. If you are not the highest bidder, the check submitted by you will be returned to you. As the highest bidder, you will be subject to the provisions of [Chapter 140 RSMo](#), specifically [Section 140.250 RSMo](#). You will be required to pay the full amount of the bid. Failing to pay the bid made, you will be subject to a penalty of 25% of the bid made with the prosecuting attorney presenting the case for collection to the court with proper jurisdiction pursuant to [Section 140.280.2 RSMo](#). **It should be noted that the Collector's Deed conveys only such interest as it possesses in the property at the time of the tax sale. Issuance of a Collector's Deed by itself does not convey clear title, and the Collector cannot make any warranty, guarantee, or other affirmation as to the title to be transferred by such sale. With regards to the affidavit below, check all that apply to the position of the bidder:**

- I am the bidder
- I represent the bidder for the property
